Subject: Notes from Soil sampling and results

All,

Here are the final results that now have Hg on them. Also see below field notes, times are on chain of custody.
Someone please copy Kendel Posey, I keep getting his email bounced back. You should have complete results from 8-2-12 and 8-3-12.

Thanks

Carla Hayes

Cecelee and Jorge,

Could we please get a copy of your field notes from the soil sampling and manifest copies to the landfill??

Thanks
